October 14, 2016

Dear Parent/Guardian,

I am pleased to inform you that Channel View School for Research will be offering additional instructional time in reading, writing (ELA), mathematics and science. Classes will be held Tuesday – Thursday from 2:45 – 4:15; **beginning Tuesday October 25, 2016.** This is a wonderful opportunity for your child to receive instruction in a small group setting. However, space is limited and students will be admitted on a **first come, first serve basis.**

There will be no yellow bus service for 6th grade students, they will receive a metro card if they are in the extended day program. The children may also attend Millenium once dismissed from the afterschool program. If you have not signed your child up for Millenium and would like to please let me know.

Please select the classes you would like your child to attend:

ELA Math Science Robotics Coding

Please see the attached schedule and complete the permission slip below. If you have any questions, please contact me.

Sincerely,

Maureen Powderly
 Assistant Principal

Please tear off and return to Ms. Powderly

 NAME

 CLASS
