1. What was your overall experience of the restorative circle training?

my overall experience was satisfactory because of the
different variety of topics we talked about.

2. What part did you find most interesting?

I found that being able to talk freely instead of raising
your hand was a nice addition.

3. Do you feel that you would be able to facilitate a circle on your own?

Yes because of the current experience I gained
from it.

4. Do you feel that you need more training?

yes because we only had a couple of practices.

5. Will you be able to lead circles during your CREW?

yes because the kids that are older would all
would like to participate.
